1. WIOA Fourteen program elements:

- *Question emailed July 10, 2018:* I am inquiring about the selection process. Can a company bid for less than fourteen program elements?

***Answered July 10, 2018:* See p.15 of the RFP, Section IV.C A. The proposer need not personally deliver all fourteen elements, but they must be able to demonstrate how participants will have access to the 14 elements in the community. The proposer must personally deliver at least four, including summer work experience, reserved funds for occupational training, and comprehensive guidance and counseling.**
