

## **Mental Health Outreach Counselor**

### **Responsibilities:**

Outreach Counselors play an integral role in our client's recovery. In this position you will provide and assist program participants with information, and strategies to support the client with their recovery goals. You will be part of a team promoting a recovery-based model of care.

*We provide the same level of care in our homes that we'd want for anyone we love.*

### **Qualifications:**

A passion for working with people who are living with a disability. Direct care experience is great, though we can help you learn what you need to know so long as you have commitment to the work.

- Bachelor's degree in a related field **preferred**.
- Experience working with people in a recovery-based model of care **preferred**.
- Ability to motivate, inspire, and support participants in developing and reaching their personal goals.
- Basic computer/office skills Microsoft Office (daily reports/communications).
- Physical ability to perform the requirements of this position.
- A valid driver's license and acceptable motor vehicle record.
- High School Diploma or GED is required.
- Background check.
